# Our big day of fun

Peacehaven is getting ready for the biggest event of its centenary year — the community summer fair.

The event, with its associated Zero Degrees skate festival and car boot sale, will be at Centenary Park on Saturday, July 16, from 11am to 3pm.

Local organisations and groups are organising lots of fun stalls and there will be a funfair, food vans and a beer bar.

A special Health Zone is being organised by Sussex Community Development Organisation as part of the Healthy Peacehaven project and Wave Leisure is organising the arena activities.

Other attractions will be owls and birds of prey, pony rides, dog agility and Jaws & Claws, showcasing reptiles, scorpions and other beasts.

The Mayor, Cllr Jean Farmiloe, will open the event. She said: "I hope both residents and visitors will come along and enjoy this special day.

"We have organised it with every age

group in our community in mind."

A CTLA community bus will provide half-hourly return journeys to and from the park from the car park at the Meridian centre. For visitors with cars all-day parking will be available via Piddinghoe Avenue for just £1. For people taking part in the car boot sale access will be via Hoyle Road to the Farrington Estate entrance to the park.

The town council thanks all the sponsors, who will be named in the official programme, and the businesses who have contributed towards the raffle in aid of the Mayor's Peacehaven projects.

Thanks also go to Wasp Printers, which has designed and printed the programme, enabling every household in Peacehaven and Telscombe Cliffs to receive a copy through their front doors in time for the big day.

The Gateway Cafe will be open all day as usual serving a selection of food and drinks.

## Apples of their eye

Peacehaven Community Orchard is growing well both literally and proverbially.

More than 2,000 small trees are being planted to provide a shelter belt to protect the fruit trees.

So far this year 46 apple trees have been planted and if there is enough money, another

31 will go in the ground. The aim is to complete a Sussex apple tree collection.

A walnut and an oak have also been planted in memory of residents.

The work has been done by volunteers under the guidance of Brighton Permaculture Trust.

A bench has been donated by Co-op Funeral Care and the orchard is buzzing with active beehives. To follow progress online Google Peacehaven Community Orchard.

Showing at the town council's cinema at the Meridian Centre

on Wednesday, July 20, at 7.30pm will be **Dad's Army (PG)**. Don't panic! Walmington-on-Sea Home Guard are on patrol to deal with a woman journalist and a German spy. Tickets are £5 from the Information Office.

## Summer delights at the cafe

The award-winning Gateway Cafe at Centenary Park is planning a summer of fun.

You can enjoy Pimms, wine and beer on the new paved terrace.

Face-painting every weekend has become popular and family fun days on the last weekend of each month and the August bank holiday will have bouncy castles and slides, face-painting and a barbecue. On the

long summer evenings customers can relax with a drink and nibbles and enjoy the stunning downland surroundings. The cafe will be opening on weekend evenings this month and also in August with an evening food menu.

The cafe is also hosting many functions and charity events and details are on its Facebook page and website.

## FROM THE HOUSE

I want first to say a word about my fellow parliamentarian Jo Cox, who was the MP for Batley and Spennings in Yorkshire and who tragically lost her life. As the news came through of her killing, I was saddened and shocked at this turn of events and my thoughts and prayers are with her family and friends at this difficult time.

I was delighted to hear the accessible minibus which the Community Transport for the Lewes Area charity was awarded in the Cabinet Office transport grants scheme has arrived. I am a strong supporter of the fantastic work that CTLA does, offering a door-to-door service to people who are not on, or near, a bus route and to people who struggle to access other public transport.

These services are particularly popular with disabled and elderly residents. The charity plays an important role in providing community transport services for some of the most vulnerable residents in Peacehaven, Telscombe Cliffs and East Saltdean and I look forward to seeing the new accessible minibus Bessie, as the CTLA has nicknamed her, out and about in our area.

I was also pleased to hear that CTLA has been named as finalists in the Lewes District Business Awards 2016 in the category of customer service. The winners will be announced at Lewes Town Hall on Thursday, July 14.
