Peacehaven Town Council

The Mayor, Cllr Robert Robertson, and other dignitaries welcome the Duke to Centenary Park

One of the best parks I've seen

The Duke of Gloucester officially opened Peacehaven's new Centenary Park off Piddinghoe Avenue. Prince Richard met the park's project team, the skatepark designers, architects, landscape architects, playground

builders and designers, town council staff, representatives from town organisations and schoolchildren. As the Duke unveiled a plaque at the park cafe he said: "This is certainly one of the best parks I have visited."
