C331 MAYOR'S ANNOUNCEMENTS

Chairs Announcements May 15th 2018

Welcome to Peacehaven Town Council Annual Council this evening where our primary focus will be to Elect a new Chair of the Council.

The Admin arrangements under General Governance Procedures are detailed in your agendas. We hope it will go according to plan this evening.

Being my last meeting as Chair I wanted to thank everyone who has supported me during this year and to wish the new incoming Mayor every success in their term.

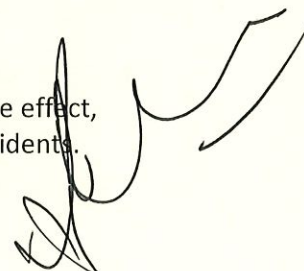

First some basic housekeeping and then the new Chair will provide you with some updates on Council business.

We are not expecting any fire alarms or evacuations this evening, although should the alarm sound, please leave the building by the closest fire door and meet in the South Service Car Park.

This meeting is being recorded for administrative purposes. The procedure on recording meetings is available from the Main Council Office.

This evenings priority announcements are -

Councillor Melvyn Simmons has resigned from the Conservative Party with immediate effect, although he will stay on as an Independent Member to represent his North Ward residents.

Welcome to the meeting and the first item on this agenda is to Elect a new Mayor and Chair for the Council for the term May 2018 to May 2019.

May I take nominations from my fellow Members for the position of Chair of Peacehaven Town Council?

New Mayor – Councillor Harrison-Hicks

Thank you all this evening for attending and fellow Members for voting for me to be the new Mayor and Chair of Peacehaven Town Council.

As First Citizen in the Town it is my intention to raise the public profile by charity fundraising and supporting the Officers and Councillors as well as residents.

As Chair one of about 10,300 parishes and towns in the country, I am privileged to be able to hold this position.

On with Council business – it is my first duty to sign the following forms – The Declaration of Acceptance, The Health and Safety Policy, The Mayors Admin Arrangements and the Corporate Risk Assessment. The Bank Mandate Form has to be completed electronically and as such will be completed in the office on Thursday morning.

My second Duty as Chair of the Council is to thank the Outgoing Mayor Councillor Brian Gosling for his services to the town over the past year.

Brian it is with great thanks that we at Peacehaven Council would like to present you with a Past Mayors Badge, for services to the residents of Peacehaven. Your name has been added to the Council Mayors Board for future generations.

Brian will you come and accept your badge. This can be worn at any Civic Event in Peacehaven, at any Council Meeting, or when requested to do so by the Chair of the Council and Civic Officers.

My next Duty as Chair of the Council is to appoint a Deputy Mayor. I would like that to be Councillor Harris

Councillor Harrison-Hicks would you please come and join me at the top table and sign the Declaration of Acceptance form for your year as Deputy Mayor and Deputy Chair of Peacehaven Town Council.

We will now agree to a Mayors Consort. For this coming year I would like to Appoint Brendon Rossiter as my Consort, to help me in my public duties.

Thank you

On with Chair Announcements for this evening -

The Neighbourhood Development Plan is in full force with First Conversation Consultations being held with the residents of three towns this month.

Council are reminded that as Members your views are very relevant and we hope you will take time

this evening to complete the Questionnaire after reviewing the boards which explain the opportunity to develop the towns for future generations.

Update on Lower Hoddern Farm – Officers would like to apologise for the minutes of the Planning meeting held on May 1st being delayed. This is due to Officer sickness and they will be presented to the next Planning meeting of next Tuesday 22nd May. The intention is that a date will be confirmed, for the whole Council to discuss and debate whether an official line of objection should be made to the District Council and if so, how to pursue this.

There have been reports made to the Council on activity at the Lower Hoddern Farm site, with Contractors possibly disturbing nesting birds and not following Ecological Expert advice. Should this be the case, Natural England have advised the reports should be made directly to Sussex Police Wildlife Crime Officer, by calling 101 or by making an online report to police.

We have been informed that the Peacehaven Telscombe Speedwatch Group may fold if they cannot find any more volunteers to help coordinate with the police. Please speak to the Town Manager if you would be able to volunteer any additional time.

The next Joint Action Group will be held at Saxon House in Newhaven on Thursday 7th June at 2pm. For any Members wishing to attend, please contact the Town Manager.

Seven and a half tonne Lorry weight restrictions and proposed signage on the A259 have been delayed by the County Council. This is now scheduled for the end of June.

The new Mayors first charity Fundraising event will be on Friday 22nd June here at Community House at 7pm. Tickets are on sale now in the Information Office at £6 which includes a free drink. We hope to see many of you there.

And finally, the Peacehaven Council Annual Summer Fair will be held at the Big Park on Saturday July 14th between 11am and 4pm. Stalls are selling quickly. We hope you will all ensure the date is in your diary and we look forward to seeing you there.

And now we will have a 15 minute period whereby residents can pose public questions, which we will endeavour to answer this evening.

Full Council

Alan Sargent, West Ward, President
of the Royal British Legion, Peaseham
& Telcombe Branch & a member
of the County Committee

Para 25 page 5 & 6 Appoint
Members to Serve on Outside
Bodies & Associations.

Reference para 4 page 6.

The Branch already has Cllrs Mr &
Mrs Farnloe appointed and
Cllrs Gosting and Duhigg as
members. Therefore the Council
is well represented.

The appointment of an additional
Councillor such as Cllr Robinson
would be excessive and not
acceptable by the Branch.

Cllr Coles replied "I am disgusted that Robbie is not included. He is a Veteran; He fought for this Country and should be included."

Sue Griffiths - North Ward

Why haven't independent Councilors put themselves forward for seats on any committees for the next year? Don't they realise that this is denying residents proper representation?

Cllr Coles answered saying that he majority group had denied the independent Councillors access to the Committees.

Cllr Neave stated that none of the independent Councillors had been approached and he felt that they had been denied access to membership of the Committees.

Cllr Farmiloe said that the Town Manager should have managed the nominations.

Claire Lacey said that she had not received any nominations.

Peter Seed – East Ward

There seems to be mention of "the annex" on the register. Mt Seed stated that this was listed as no longer being an asset of Council.

Claire Lacey replied confirming that this is no longer an asset and had been listed in error.

Mr. Seed continued, asking about Keymer Avenue, Flint Way and Seaview Avenue. He asked what arrangements had been made for the maintenance of these areas.,

Claire lacey confirmed that an amount of £181,000 had been received by Council to deal with maintenance of these areas.

Cathy Gallagher - Saltdean resident's Association

Have the Councillors present completed the feedback form indicating their preference as to Future 1,2 or 3 for the direction of the Neighborhood Plan.

The Peacehaven and Telscombe neighborhood Development Plan is long overdue; the absence of such a plan has meant that there is no overall vision or strategy for our area. Now at last the plan is underway. The first public consultation will end 31st May and then the Steering Group will be evaluating the feedback and working with the consultants; O'Neill Homer using the most popular public preferences.

Please have your say.

Cllr Dave Neave said that he had completed his feedback form. Council agreed that it was important that this be completed.

C337 TO CONSIDER APOLOGIES FOR ABSENCE

Apologies were received from Cllr Reg Farmiloe and Cllr Loraine due to sickness. These were accepted.

C338 TO RECEIVE DECLARATIONS OF INTEREST FROM MEMBERS

No declaration of interest.

REPORT TO PEACEHAVEN TOWN COUNCIL

15TH May 2018

Outside Bodies

House Project Centre

Trustees meeting 11th May the report was that the two Shops at Peacehaven and Saltdean have been very successful in raising enough funds to support 79 Grants to local charities, schools and associations in the last financial year to 31st March 2018, totalling over one hundred and sixteen thousand pounds.

The area covered for Grants is from Woodingdean to Denton Island.

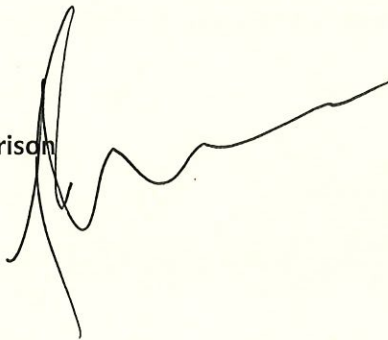

With the continued support of the volunteers are looking to increase that figure next year.

RBL Peacehaven and Telscombe Branch.

Although quite a small branch, are being represented for the Great Pilgrimage 90 by the laying of a wreath and having a Standard Bearer to attend the trip to Belgium in August 2018.

Meetings are the second Thursday in every month.

Cllr Ann Harrison

Neighbourhood Plan,

The Steering Group have been hard at work since the beginning of the year. Having appointed O'Neil Homer as consultants, we have been able to put together three future scenarios, to look at possible ways to shape our local environment over the short, medium and long term.

A series of consultation events with residents was undertaken during April, and events were held in East Saltdean, Telscombe and Peacehaven and so far, we have received around 200 responses. The Steering Group are extending the consultations through May, and are hoping to have an event at Telscombe Village and PCS school. All the documents are online at our website, and so are online surveys that can be completed within a matter of a few minutes.

Otherwise I believe Claire has some paper forms available at the office which can be completed if you prefer the pen and paper option.

Once the consultation finishes in May, and all the responses have been analysed, we will start putting together draft policies on key topics such as housing, businesses, heritage etc. This will of course need to involve more consultation events with residents, but also businesses that are located within the towns, so that local knowledge can be gained.

In addition to the policies, the Steering Group are also undertaking a "call for sites". This is to allow local residents the opportunity to identify land that they believe may be available, and suitable for development. This will hopefully identify potential land that has not come forward before, so that it can be assessed for its viability, and hopefully included within our Neighbourhood Plan.

If you would like further information or updates, then there is a neighbourhood plan Facebook page as well as a website, and both Peacehaven and Telscombe will be featuring articles within their local newsletters over the coming months.

Please do get involved.

It has been a pleasure to represent PTC at the Towns Forum, since 2015.

Sadly the founder & Chair Helen Livings passed away, leaving the forum facing an uncertain future.

Glyn Enever, the excellent Secretary has ^{unfortunately} decided to step down as well.

However Sue Griffiths has come forward and hopefully will continue Helen's good work.
