11 TO COMMENT on the following Planning applications as follows:-

PH2441 LW/25/0560 Sweetwater 26 Blakeney Avenue

It was proposed to object the application on the following grounds:-

- The application is not considered to be a variation of condition, but is a new planning application with insufficient documentation
- It is in breach of numerous LDC and NPPF policies, as well as being in breach of the emerging NDP PT1
- It is outside the planning boundary
- It is within 250m of the Newhaven boundary
- It is defined as a special place – covered by a ministerial article 4 direction
- It is close to the SDNP boundary, and any light is likely to be viewable from the SDNP
- It is breach of the following NPPF paragraphs:-
 - 11 (adverse impacts would demonstrably outweigh the benefits),
 - 116 (because of the cumulative effects on road networks at a potentially dangerous junction with the A259, and because the access road is so rough),
 - 135 (it does not add to the overall quality of the area's amenities of neighbours in terms of privacy, outlook. and activity levels)
 - 139 (developments that are not well designed should be refused)
 - Is already in breach of NPPF 187e & f.
- It will change the nature of the area.
- The Town and County Planning Act para 73 does not apply because there are numerous conditions and all are valid.
- The government planning policy for traveller sites (updated December 2024) states planning law requires that applications for planning permission must be determined in accordance with the development plan, unless material conditions indicate otherwise – This policy is a material consideration, as the need for traveller sites is covered in the local plan, and if the area is going to be changed in terms of environment, air quality and noise, it can't be peacefully integrated into the existing neighbourhood.

Proposed by: Cllr Wood **Seconded by:** Cllr Gallagher
Committee resolved to **object** to the application.

PH2442 TW/25/0091/TPO 3 Wendale Drive

It was proposed to **support** the application.

Proposed by: Cllr Campbell **Seconded by:** Cllr Wood
Committee **resolved** to support the application.

PH2443 LW/25/0579 Homestead Brighton Road Newhaven

https://padocs.lewes-eastbourne.gov.uk/planning/planning-documents?ref_no=LW/25/0579

It was proposed to object to the application on the following grounds, which are in addition to the objections made to LW/25/0377:-

- It is not in line with Policy DM4 in LDC Core Policy 2 because it is not an agricultural or a rural building
- It is against NPPF para 11 (the adverse impacts demonstrably outweigh the benefits)
- There are mistakes and contradictions in the main planning application for example, it states it has been occupied for 10 years, but that it is 'new housing'; that there is no provision for waste storage, but there is a septic tank etc.
- It is against plan NDP PT1 (it is not a good quality designed building), and LDC DM25 (not a suitable residential property).

Proposed by: Cllr Gallagher **Seconded by:** Cllr Rosser
Committee resolved to **object** to the application.
