There were no members of the public in attendance.

**1. CCE597 CHAIR ANNOUNCEMENTS**

The Chair opened the meeting at 19:30, read out a Civility & Respect statement, went through the building fire procedure, asked for phones to be put onto silent, informed everyone that the meeting was being recorded, and outlined the public questions process. The Chair then informed the Committee of the following:

- Welcome Cafe every Monday at 10am – 1pm
- Remembrance Sunday 9<sup>th</sup> November 10:15am – 12:30pm
- Armistice Day Tuesday 11<sup>th</sup> November at the War Memorial

- An external event – LD CAN – on 11<sup>th</sup> November at 4:30pm – 6:30pm
- Looking for volunteers and raffle prizes for bingo

The Chair asked that the LD CAN details to be sent to all committee members.

The Meetings & Projects Officer reminded committee that in 2023 committee agreed that no officer time would be spent on bingo, which meant that if there were no volunteers for a bingo session, it would have to be cancelled.

Members commented that there were enough volunteers for the next couple of bingo sessions, but that a call out to all cllrs for volunteers be emailed out.

**2. CCE598 PUBLIC QUESTIONS**

Cllr Wood was appalled there were no poppies on the south coast road, and that the war memorial and flags were tucked away, especially with the significance of Peacehaven and WW1, and wanted to see more poppies on the south coast road, similar to other locations, including Seaford, Newhaven and Rottingdean.

Cllr Donovan expressed there were poppies now installed at the War Memorial, that PTC had a limited supply, and that there would be a financial implication, which could potentially be included in the budget.

It was suggested that the Information Officer look into this further, including costs, and the Chair thanked Cllr Wood and Cllr Donovan for their comments.

**3. CCE599 TO CONSIDER APOLOGIES FOR ABSENCE & SUBSTITUTIONS**

There were apologies from Cllr Sharkey, the Youth Mayor and Deputy Youth Mayor.

**8. CCE604 TO DISCUSS AND AGREE COMMUNITY ENGAGEMENT COMMITTEE BUDGET REQUIREMENTS FOR 2026/27**

The Meetings & Projects Officer confirmed that the Town Crier's outfit had been purchased by Lewes Town, and was a Lewes Town Council Crier outfit, which may not be able to be worn for Peacehaven Town Council.

Cllr Wood queried where PTC stood with the agreement that Lewes Town Council would contribute half of the cost of the PTC outfit, and Cllr Donovan suggested it be found out which outfit would be worn by the Crier in Peacehaven and whether the Crier still wanted to be the Peacehaven Town Crier. The Chair suggested a report be brought to committee to cover these queries.

The Meetings & Projects Officer raised that, with regards to the Marketing Costs budget (Budget 4306/120), the PR Officer had received a quote for £540 per year to print 100 copies of the Peacehaven News. The PR Officer expressed that other quotes were being sought, which would be brought to committee; that there was a need to decide the format of the Peacehaven News; suggested that due to low readership figures advertising costs should not be charged; compared costs with the Telscombe Crier; and agreed a report would be brought back to committee.

The Chair commented that the A1 boards and planter advertising moved from P&H budget, but the figures from their budget were not showing.

It was proposed that the budget requirements for 2026/27 be deferred.

Proposed by: Cllr Wood      Seconded by: Cllr Veck

All in **favour**.

It was commented there was a date change to the tea and cake event to Friday 17<sup>th</sup> April, and why this had changed from a tea in the park event. Cllr Donovan queried who would be preparing the sandwiches, and agreed there would be a raffle.

It was proposed to agree to the events as outlined in the report.  
Proposed by: Cllr Donovan      Seconded by: Cllr Wood

**b. Community Wall project**

Cllr Donovan and the Meetings and Projects Officer outlined the project and its progress, and it was explained that this item would be transferred to P&F, since it related to Community House and would be managed through the Community Buildings Working Party.

**c. Health & Awareness Day**

The Civic & Events Officer commented that work would begin on this in the new year.

It was proposed to close the Community Wall and Health & Awareness Day TFGs.

It was resolved to **agree** to the proposal.

**16. CCE612 TO NOTE THE EVENTS CALENDAR**

<b>Subject:</b>	Change venue for the Mayor’s Civic Reception		
<b>Purpose:</b>	To agree to change of venue		

<b>Recommendation(s):</b>
To agree the change of venue

In the Mayor’s Handbook, it states that the Civic Reception is to be held in Community House. Cllr Donovan would like to have the option of holding her reception in a different location.

**3. Reason for recommendation**

The venue hasn’t been decided yet, but Cllr Donovan is aware of the budget constraints.

<b>Committee:</b>	Community Engagement	<b>Agenda Item:</b>	CCE624
<b>Meeting date:</b>	27 <sup>th</sup> January 2026	<b>Authors:</b>	Civic and Events Officer
<b>Subject:</b>	Youth Mayor		
<b>Purpose:</b>	To agree the way forward for choosing a Youth Mayor		

#### **Recommendation(s):**

To agree the way forward

## **1. Background**

This year, PCS asked the Town Council to choose the Youth Mayor. The children were asked to attend a meeting with the Mayor and the Civic and Event's Officer, in the school's library. Eleven children, all from year ten, came to the meeting. They were asked questions and had the opportunity to ask questions. From there, they were asked to write a short piece on why they would like to be Youth Mayor. Three submissions were received and those three children came to the Council Office to be "interviewed". Several councillors took part in the selection process and it was decided that all three should have the opportunity to be Youth Mayor. They have the role for four months each, and the other two are the deputies. It wasn't what happened in previous years, but it seemed to work well this time.

Peacehaven Community School was chosen as it's the only secondary school in Peacehaven. There is a good working relationship with the school, and particularly the assistant head teacher. Fostering a good relationship with the school is essential and maintaining that is crucial.

For discussion is if this way of choosing the Youth Mayor should change. It has been suggested that we could look to the community for applications. There are community groups available, including The Joff and Scouts. This could open up an enormous pool to choose from and it could become challenging. It is prudent for the Youth Mayor and any deputy/ies to know each other. The support they can give to one another is positive.

Another suggestion is if their year should follow the Council year more closely. If PCS continues to be the route into this role, being more aligned with their school year would be preferable. Following the Civic year would potentially cause conflict for exams in year eleven, if the year group they are selected from stays as year ten. At the beginning of September, they have just come back from the summer break and there are school elections. November did feel late this time so starting the process towards the end of September is proposed, to be completed by the Full Council meeting in October, where the selection will be presented to Full Council.

## **2. Options for Council**

To agree a new way forward for choosing the Youth and Deputy Mayor

To retain the current process of choosing the Youth and Deputy Youth Mayor

To put forward different ideas

### 3. Reason for recommendation

There are positive benefits to having a Youth Mayor. It helps the young people to engage with their community and encourages them to feel proud of their town. It helps the Town Council to hear the voices coming from the children in the community and can help bridge the generational gap that is obviously there.

### 4. Expected benefits

The youth mayor is a ambassador for the youth of Peacehaven, and they have the opportunity to raise money for their chosen charity.

### 5. Implications

5.1 Legal	It is ensured that statutory requirements are met
5.2 Risks	Not adhering to safeguarding policy
5.3 Financial	Minimal officer time
5.4 Time scales	On-going
5.5 Stakeholders & Social Value	To involve the community and the youth
5.6 Contracts	
5.7 Climate & Sustainability	
5.8 Crime & Disorder	By engaging young people, this may go some way to mitigate antisocial behaviour

<b>Meeting date:</b>	27 <sup>th</sup> January 2026	<b>Authors:</b>	Civic and Events Officer
<b>Subject:</b>	Mayor's Cadet		
<b>Purpose:</b>	To discuss and note the report regarding the Mayor's Cadet		

#### **Recommendation(s):**

To note the report

### **1. Background**

This is the first Civic Year that the mayor has had a cadet to accompany them on civic duties. This report is being written at the six-month mark to see how the post is going and to make any recommendations going forward.

Several sea cadets put themselves forward for this role and Peacehaven, Telscombe and Newhaven have taken on a ceremonial sea cadet for civic duties. After speaking with the mayor and Zack Osborne, Peacehaven's Sea Cadet, it is proposed that we continue with this ceremonial role. Zack has found it to be an extremely rewarding experience and has started to look into the options available to him for Youth Parliament. His mother notes that he is more confident and feels pride in representing the council in this way. He has attended seven civic engagements and has proudly stood alongside the mayor in her duties.

Telscombe's Sea Cadet, Jacob Lord, is at PCS and put himself forward to be this year's Youth Mayor. His bid was successful and he is sharing the role with two others. He is thrilled to be part of the council in this duty. He feels more confident and finds talking to adults easier since he has been involved with both town councils.

### **2. Options for Council**

To note the report.

To defer this item for discussion at a future meeting.

### **3. Reason for recommendation**

The benefit for these young people is clear to see. It doesn't create a large amount of additional work for officers, or the mayor, and it is felt it should continue.

### **4. Expected benefits**

This role is primarily ceremonial. There are no costs associated with it. Engaging young people in the work of the council is positive.

Appendix A - Mayor's Cadet Guidelines

## **Appendix A - CCE625**

### **Mayor's Cadet Guidance.**

The Peacehaven Town Mayor may select a Mayor's Cadet to assist with civic duties during their term in office. The cadet's formal duties will be to attend the Mayor as and when appropriate in the course of their official duties within the town.

### **Selection Process**

Cadets are nominated from the organisations they represent. The Mayor's Cadet is a high profile appointment and as such it is expected that the candidate should be of the highest standard with good interpersonal skills and the ability to interact with a wide range of people. The nominated cadet is normally a senior cadet who is under the age of 20.

The elected Mayor can decide which local organisation(s) they wish to appoint a cadet from. These can be from the Nautical Training Corp, Air Training Corp, Army Cadet Force, Police Cadets, Fire Cadets, and from civil uniformed youth organisations – Scouts, Girl Guiding and St. John Ambulance if nominations are available.

### **Term of Office**

The Mayor's Cadet will hold their appointment from the date agreed with the Town Mayor until the end of the civic year.

### **Duties**

It is the responsibility of the organisation that the cadet is appointed from to liaise with the Civic Officer to determine the duties for which the cadet will be required. They assist the Mayor as required and act as ambassadors for their organisations and the young people of the area. Examples of duties would be assisting with events such as the Town Awards, Civic Service, Remembrance Service, and the Winter Event. This is not exhaustive and will be adjusted as required by the Mayor in liaison with the organisation.

The outgoing cadet should, where possible, brief the incoming cadet on their expected duties. It is the responsibility of the organisation of the incoming cadet to arrange this process with the organisation of the outgoing cadet and the Civic Officer.

### **Badge**

The Mayor's Cadet will be presented with a Mayor's Cadet Badge at a mutually agreed date with the Town Mayor and will be expected to wear the Mayor's Cadet Badge while on official duties during their term of office.

### **Presentation of Town Mayor's Cadet Certificate**

At the end of the cadet's term of office they will be presented with a Certificate at the Annual Meeting of the Council.

### **Guidance Notes for the Mayor's Cadet**

Duties will be discussed with the Mayor's Cadet Senior Officer to agree requirements.

The Mayor's Cadet will not be in a situation where they are left on their own with the Mayor and will usually only attend civic matters within Peacehaven.

It should be noted that no DBS check will be undertaken by the Town Council.

#### Recommendation(s):

To note the report

### 1. Background

It was agreed by the CE Committee on 9<sup>th</sup> September 2025, to hold a Children's Christmas Party on 12<sup>th</sup> December 2025.

Sadly, this event didn't take place. The week before we had only sold 27 tickets and it was decided on 5<sup>th</sup> December 2025 to pull the event before we needed to pay for the bouncy castle hire. All the officers, and the Town Clerk, agreed that this was the best course of action.

The message went out on social media on 5<sup>th</sup> December 2025 and the posters in Community House were updated. No one turned up on the 12<sup>th</sup> December 2025 so the word did get out. Of the tickets sold, 17 have been refunded so far. The costs incurred by cancelling are minimal. It was three sheets of labels. The actual tickets are a generic Christmas event ticket, and will be reused in 2026, with the labels removed.

### 2. Options for Council

To note the report

### 3. Reason for recommendation

For Committee to have a record of the details of the cancellation of the party.

### 4. Expected benefits

This decision was taken before the bouncy castle hire needed to be paid for, which was a cost of £175.

### Summary of event

The launch event was an opportunity to promote the new Meridian Line Meander and to publicise the associated leaflets for the first time. The date was chosen far enough in advance to ensure as many people as possible could attend, and it was thought that carrying the walk out on the same day as 'National Take a Hike Day' would tie in well.

The launch, starting at 09:30am at the Meridian Monument, encouraged people to get outdoors, learn about the Meridian Line and find out more about Peacehaven.

The event was promoted through a variety of marketing channels, including local radio.

### Officers report

The weather was bracing, yet sunny, for the well-attended launch. The new Meridian Line Meander leaflets were shared out, a ribbon was cut by the Mayor of Peacehaven, held at either end by Graham and Hilda Heap, and a brief East / West dance of jumping back and forth over the line was performed.

Positive feedback was received, including comments about how the walk had informed them of new, and reminded them of, various points of interest along, and near-to, the route.

Refreshments back at the weekly Welcome Café, Community House, was a welcome and warm way to end the launch.

### Councillor's report

#### Successful Launch of the Meridian Line Meander Walk

The Meridian Line Meander Walk successfully launched on November 17th, coinciding with National Walkers Day.

We invited local authors, Graham and Hilda Heap, who were both enthusiastic that our project had come to fruition and who both enjoyed the walk.

Participants gathered to take part in the healthy three mile walk, designed to highlight local history and encourage healthy activity.

The event, which saw enthusiastic participation, benefited from a bright, sunny, but chilly day, providing ideal conditions for the outdoor activity. Feedback from those who took part was overwhelmingly positive, with many referencing the various points of interest along the route.

The creation of the walk was a collaborative community effort:

- **Illustrator Amanda Davidson** was thanked for producing a clear and engaging map for participants.
- **Myself, Councillor Harman**, and local resident **Cathy Norcott-Jones** were instrumental in compiling and establishing the walking route.

The launch has successfully established a new local walking route, offering residents and visitors a healthy and informative way to explore the area's unique geography and history. I hope that more residents and visitors to the town will take part in this informative easy going Meridian Line Meander.

**Climate change / sustainability factors**

The event was a way in which to promote leaving ones car at home and walking a new local route.

**Social value/ impact factors**

The walk is accessible to all, and is a healthy and interesting walk in which to see Peacehaven and learn about the Meridian Line.

**What would we do differently if we ran the event again?**

There is nothing that can be thought of, but comments and feedback are welcome.

<b>Meeting date:</b>	27 <sup>th</sup> January 2026	<b>Authors:</b>	Cllr Wendy Veck
<b>Subject:</b>	Welcome Cafe		
<b>Purpose:</b>	To agree the 2026 end date of the current Welcome Café and its reopening		

#### **Recommendation(s):**

It is recommended that the Welcome Café continues in its current format during the winter months, with the café restarting in mid-September 2026 following the summer break.

## **1. Background**

The Welcome Café has been running throughout the winter months on Mondays at Community House. It offers free tea and coffee to residents, with small snacks available for a donation to help cover operating costs. The café provides a warm, welcoming space where residents can meet friends and access information about local services. It operates as part of the Isolation Project run by the C & E Committee.

We have a regular group of residents, mainly older people, who attend weekly to meet, chat, and socialise. The café has proved to be a valuable way of connecting people and identifying the needs of residents within the community.

This year, a range of local charities and organisations have attended the café to offer advice, help, and support. These have included Environment First, Neighbourhood First, the CAB, and the RBL, among others. We have also welcomed several small local stallholders offering affordable items, which has provided an additional point of interest for those attending.

One of our regular stallholders has recently received a cancer diagnosis and has sadly been unable to attend. She has been greatly missed, and several regular café users have sent her get-well cards, demonstrating the strong sense of community that has developed.

Alongside the café, a clothing rail offering warm coats and clothing free of charge has been available to those in need. This has been extremely popular. We would like to thank Karen Bray in the office for collecting and organising the donations.

Havens Food has provided a weekly box of bread, cakes, and some vegetables to support residents, particularly those who struggle to access larger supermarkets. Steph Georgalakis has kindly collected this on her way to work each week, and we would like to thank her for her continued support, which has been a lifeline for several residents.

We would also like to thank Gill Veck for her support. As an older volunteer, she has been instrumental in engaging with more vulnerable residents of a similar age, helping to build trust, connections, and break down barriers.

The final café session before Christmas included a festive get-together, where residents enjoyed mulled wine and a wide selection of Christmas treats. The event was well attended and greatly appreciated.

The Welcome Café is currently running with a small surplus of approximately £20.

<b>Committee:</b>	Community Engagement	<b>Agenda Item:</b>	CCE629a
<b>Meeting date:</b>	20 <sup>th</sup> January 2026	<b>Authors:</b>	Public Relations Officer
<b>Subject:</b>	Inclusion Working Group Key Themes for 2026		
<b>Purpose:</b>	To agree the Inclusion Working Group's key themes		
<b>Recommendation(s):</b>	To agree the themes outlined below		

## 1. Background

The Inclusion Working Group met on Friday 9 January to discuss how the project will be taken forward in 2026. Discussions focused on identifying the key themes for the year, and it was agreed that the programme would be structured around a series of themed quarters, as outlined below. The Welcome Café will run during the first quarter, alongside the Q1: Digital Inclusion.

### Key Themes for 2026:

**Q1: Digital Inclusion:** Digital access is now essential to everyday life, supporting activities such as managing finances and housing, accessing health services, staying connected with family and friends, and finding reliable information. However, as technology continues to change, digital exclusion persists, with many people lacking access to appropriate devices, affordable data, or the confidence and skills needed to use digital services effectively.

**Q2: What's on in Peacehaven and the surrounding areas:** Ensuring residents are aware of what is happening in their communities is vital to preventing social isolation. Access to clear and timely local information helps people stay connected, engage in community activities, and access support services, fostering a sense of belonging and improving overall wellbeing.

**Q3: Attitudes:** Isolation is caused not only by physical barriers but also by attitudes that can make people feel uncomfortable, excluded, or unwelcome. It is important to ensure that more marginalised groups are included in what we do in ways that are respectful and inclusive, without singling them out as different.

**Q4: The Town Council & Young People:** It is important for young people to understand their town council because it helps them feel informed, represented, and connected to their local community. Awareness of how the council works and the decisions it makes encourages civic engagement, builds trust in local democracy, and empowers young people to have a voice in shaping the place where they live.

## 2. Options for Council

- A) Agree the 4 themes as outlined above.
- B) Identify and agree different themes.

## 3. Reason for recommendation

Establishing key themes for each quarter enables a more focused and strategic approach. The four selected topics address the broader objectives of the isolation project.

#### 4. Expected benefits

To ensure the local community is better informed, helping to reduce social isolation and strengthen connections.

Meeting date:	27 <sup>th</sup> January 2026	Authors:	Cllr. Sue Griffiths on behalf of the Events Working Party
Subject:	The Climate Fair		
Purpose:	To confirm the date and the new name of the Climate Fair		

**Recommendation(s):**

- 1 To confirm that this year's Climate Fair be held on Sunday, the 7<sup>th</sup> June and that the event is renamed the Peacehaven Sustainable Living Fair.
- 2 To set up a TFG to organise the Fair.

**1. Background**

The first Climate Fair took place in 2024 and was very successful. It is scheduled to happen in the year that we don't have a summer Fair. It is in accordance with Peacehaven Town Council's Climate Change pledge and the work of the Environment and Sustainability Committee.

The templates, policies and contact list from 2024 are available to speed the organisation of this year's event, and it would be useful for a TFG to be formed to concentrate on this one event.

There is £1000 set aside in this year's budget for the event, and there is £857 in the reserves from the 2024 event making a total budget of £1,857.

The event would be run by volunteers and local organisations. The Newhaven Bonfire Society were very successful at managing the car parking two years ago. Council staff would not be required on the day, but as last time, the gazebos could be erected during work time before and after the event.

The choice of day and date was informed by FREEGLE, an important Reuse Group, always being busy on a Saturday, and the opportunity to work with the national annual event called The Big Lunch, which is organised by the Eden Project, which will bring a much greater footfall to the event.

**2. Options for Committee**

- To agree that the event is held on 7<sup>th</sup> June 2026
- To agree on the change of name to Peacehaven Sustainable Living Fair
- To agree to the setting up of a TFG

**3. Reason for recommendations**

To optimise the opportunities for the success of the event and to provide a clearer name to describe its purpose.

**4. Expected benefits**

Provision of an enjoyable day for residents.

Providing Knowledge on sustainability and its benefits

Promoting local organisations
